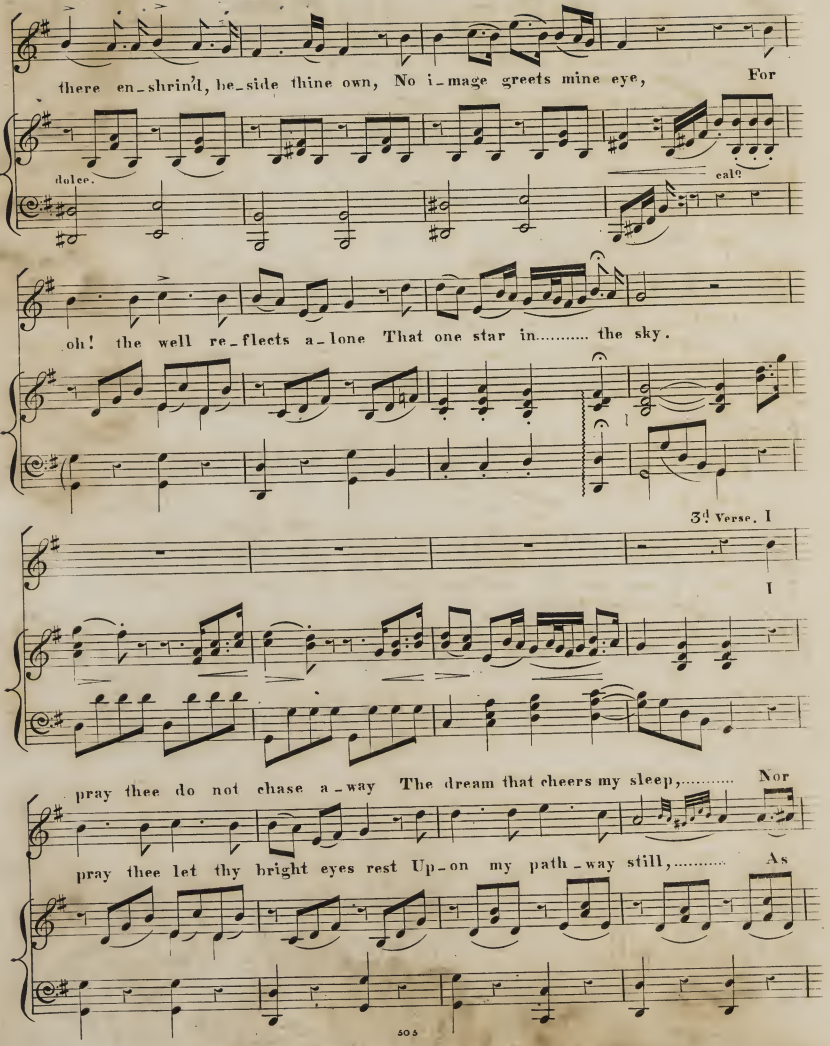
Oh! la_dy let thine i_mage dwell In my de_vo_ted heart, As
in some deep and lone_ly well, Shines one bright star a_part. For



there en-shrin'd, be-side thine own, No i-mage greets mine eye, For
dolce.

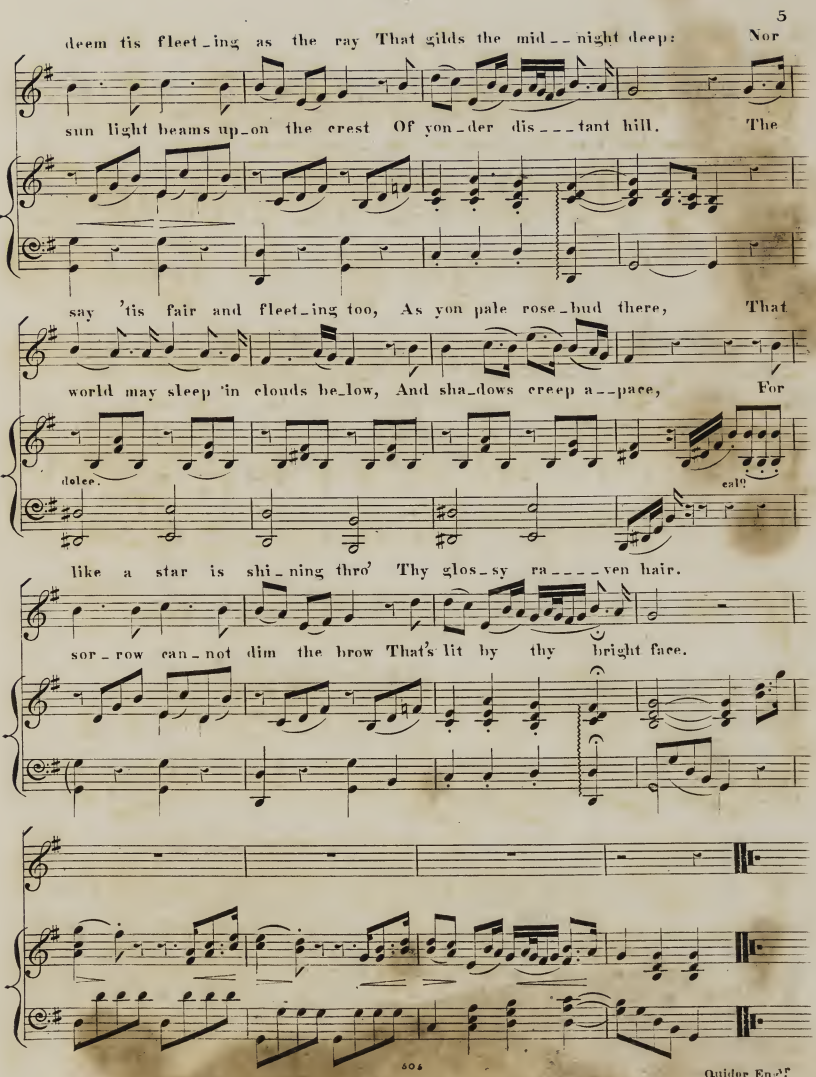
oh! the well re-flects a-lone That one star in..... the sky.
3d Verse. I
I
pray thee do not chase a-way The dream that cheers my sleep,..... Nor
pray thee let thy bright eyes rest Up-on my path-way still,..... As



deem tis fleet_ing as the ray That gilds the mid__night deep: Nor
sun light beams up_on the crest Of yon_der dis___tant hill. The
say 'tis fair and fleet_ing too, As yon pale rose_bud there, That
world may sleep 'in clouds be_low, And sha_dows creep a__pace, For
dolce.
calo
like a star is shi_ning thro' Thy glos_sy ra____ven hair.
sor_row can_not dim the brow That's lit by thy bright face.
